

CFAB

protecting **CHILDREN** and
uniting **FAMILIES ACROSS BORDERS**

The UK member of the international Social Service (ISS)

Post-Placement Support Project

CFAB's Post Placement Support Project will provide tailored assistance to children arriving into the UK to live with extended family members, under Dublin III or other routes.

The project will provide early help & support to children, young people and those caring for them, for up to twelve months.

CFAB will offer

Assessment of the child or young person's needs & the development of individual plans by a qualified social worker

Signposting, advocacy & liaison with relevant local services

Advice & signposting regarding financial & other civic entitlements in the UK

Support in navigating emotional & practical issues arising from family dynamics, including assisting carers with parenting techniques, exploring respite care options, identifying peer support groups and arranging family group conferencing.

We can help you, to help them
